NOTES

25X1

Philippines: President Marcos has approved the maintenance of the Philippine civic action group (Philcag) in Vietnam at a strength of 1,500 men despite Congress' failure to appropriate supporting funds before it adjourned on 31 August,

25X1

In recommending this action to Marcos the defense department stated it could maintain the unit from regular department funds. Marcos has approved a rotation of all Philcag personnel by the end of September. It will remain essentially an engineering unit, however.

25X1

Marcos intends to submit the appropriation bill again during the next congressional session tentatively scheduled to begin in November.
